

Enfield Swimming Club

Disadvantaged Families Policy

The Chair and Treasurer are authorised by the Club's Committee to review individual cases and total Club situations, and make necessary adjustments and changes to our fees. These are reported back to the Committee for ratification. If you are unable to meet your financial obligations due to extenuating circumstances contact the Club Secretary by email on [**enquiries@enfieldsc.co.uk**](mailto:enquiries@enfieldsc.co.uk). Each application will be considered and evidence must be given to support the claim.
